

Katie Kazoo's Secret Message

It's not like Katie to keep secrets—especially from her best friends Suzanne and Jeremy. But there is one (very big!) thing Katie has to keep secret from everyone.

When people have secrets, they sometimes write them down in special codes. Decipher the code given below to read Katie's secret message. As you uncover the words, write them on the dotted lines beneath the original coded words.

Do you have any secrets to keep? Write one down in code like Katie does and store it in a safe place. Then, for fun, write another message that isn't a secret in the special code. Switch with a partner and decipher each other's messages!
