

Capture the Flag

A game for six or more players

You will need: two pieces of cloth, which are the flags. Make sure each team has a different colored flag.

Here's how you play.

1. Divide the players into two even teams.
2. Divide the field into two equal sides. On each side, mark off a section that will be the jail cell.
3. Each team gets five minutes to hide their flag somewhere in their part of the field.
4. When the teams have hidden their flags the fun really begins! It's time to find the other team's flag.
5. Any player who is caught and tagged on the other team's side of the field is put into jail. The only way to get out of jail is to be tagged by one of your teammates—if he or she isn't stopped by someone on the other team first!
6. The first team to capture the other team's flag and bring it safely back to their side of the field wins.
